Activity of communication

Andreas Tille

Debian Conference 8

Mar del Plata, August 16, 2008
Activity of communication measure

- Intensity and quality of communication
- Every project has a mailing list
- Who are the active posters (except robots)
- Influence of SPAM, noise, flames, etc. is reduced
- Mind the run-over-by-bus factor
Top 10 posters on debian-kernel@lists.debian.org

- maximilian.attems
- Sven.Luther
- Horms
- Bastian.Blank
- dann.frazier
- Martin.Michlmayr
- Christoph.Hellwig
- Jurij.Smakov
- Steve.Langasek
- Frans.Pop
Top 10 posters on debian-boot@lists.debian.org
Top 10 posters on debian-qa@lists.debian.org
