1 / 11

My way into a great community

- Susan Kleinman
- Wordnet
- Joel 'Espy' Klecker, 1979-2000
- Debian Med
- DPL

2 / 11

Is Debian relevant? - Package usage

3 / 11

Is Debian relevant? - Tested

4 / 11

Is Debian relevant? - Flying

Apollo Nr. AS8

CADRE is 3 robots driving around on the moon, talking to each other and to a base station

5 / 11

Diversity

Within the Debian community, there exists an uneven distribution in terms of gender representation and geographic diversity. Currently, there is a notable over representation of male contributors originating from countries typically considered industrialized.

Smoothen the path for newcomers

- Addressing geographic disparities by translation efforts
- Packaging Workshops¹
- Bug of the Day
- Strengthen local events
- Streamline and unify packaging

¹see "Debian packaging workshop" tomorrow in Room 2, 17:25
